

The Saturday "On The Court" for December will be on the 16th at 11AM on courts 9-12. Rather than doing a presentation on a topic, we will be hosting a Pickleball Swap Meet. This will give our members an opportunity to swap, buy, sell any of those pickleball items you have hanging around the house that you are not using. This will include unwanted gear (bags, balls, etc.). All transactions must be from club members to club members. The club is hosting this event and is not involved in any of the individual transactions. At the end of the event, individuals may opt to donate any unsold/swapped items to the club for the purpose of training new prospective members. That would be most appreciated. Any questions contact Larry Strumwasser or Joan Moore. See you on the court!!!
