

SELLING EQUIPMENT AND/OR TRAINING SERVICES

6.5 Sales Activities

A. **Club members may not promote or sell products or services from their personal businesses to club members.**

C. Clubs may sell supplies related to club purposes to its members at a reasonable markup to fund club operations.

6.4 Dealing with Vendors and Contracting

A. Clubs may need the services of vendors, *e.g.*, caterers, entertainers, instructors, workshop leaders, play directors, or other service providers (vendors), whether the services are provided on or off SCA property. Clubs will do all necessary work to select the vendor, define the services, determine the fees, *etc.*, and will give a completed Vendor Service Agreement Worksheet (Appendix J) to the Activities Department at least 30 days before the event or commencement of the service.

B. **Anything provided by a club member, or a club member's business entity, to the club, for which they would be compensated, constitutes a service. This service must be approved in advance by the club's board, and then approved by the CLC.** The decision must be officially recorded in club board meeting minutes and reported to the club's general membership. If the service is to continue in subsequent years, annual approval must be given by the club's board and the CLC.
