Rotation Rules

Courts are Open Play.

1-There are no reserved courts or private play groups allowed with the exception of approved and posted scheduled pickleball club events.

2-Guests and non pickleball club members are to play on courts 11 & 12 especially when members are waiting.

3-When 9 or fewer players are waiting "winners stay" method will be used. When game is complete, the winners will remain on court and losers will rotate off. Two new players will join game.

4-If a team has been on court and won for 2 consecutive games, then that team may be asked to split up.

5-When 10 or more players are waiting to play, all 4 players must leave the court at completion of the game and 4 new players come on court, winning teams that left the court will have priority to join the next round of games.

6-All games are to 11, win by 2.
